# Principal training program

## Are you equipped to lead?

**PROGRAM** 4 x 2 Day Workshops

The future of Christian schools depends upon the next generation of dynamic, resilient and savvy principals and senior executives to lead through the 21st century. Leadership can take you by surprise! Be prepared for the scope of issues and responsibilities which cross a principal's desk. This course is uniquely designed for those currently involved in leadership positions in their school who seek to be resourced for the next step in their executive journey.

Throughout the course you will receive:

- Expert presenters
- An abundance of networking opportunities
- Resources and advice on each topic
- Q&A forums
